

Transport from the Almería airport to the city

From the Almería airport there is the **L30** bus line that goes to the Central Station (*Estacion intermodal*) in the heart of the city. On the urban bus service page (<https://www.surbusalmeria.es/linea/30>) you can see the waiting time for a bus to arrive at each stop (click "HORARIOS"), and check that the bus is in direction to Almería ("Aeropuerto (dirección Almería)"). By clicking on the button "CONSULTAR TIEMPOS DE ESPERA" and in the corresponding bus stop you can see the time for the next bus passing by your bus stop.

You have information in English in the web or the airport (<https://www.aena.es/en/almeria/getting-there/bus.html>) about this line and the link that I posted above.

At the Central Station you would have to take line L1 for the hotels located in the city centre (Paseo de Almería or Plaza de San Pedro) or line L2 to go to the hotels located on Avenida Mediterráneo.

The cost of taxi from the Airport to the city centre is about 20€. You have information about taxi in the web of the airport (<https://www.aena.es/en/almeria/getting-there/taxi.html>).

Public city transport

Metropolitan Buses of the city are available to go from the city to the Campus of the University of Almería (<https://www.surbusalmeria.es/lineas>).

The Line 11 of the city is available to go from the *Paseo de Almería* or the *Avenida del Mediterraneo* to the Campus of the University of Almería (<https://www.surbusalmeria.es/linea/11>).

There are others bus lines (L3, L4, L12 and L19) are available to go to the Campus of the University of Almería (<https://www.surbusalmeria.es/lineas>).

The cost of one-way ticket is 1.05 € and a ticket of 10 trips costs 3,70 €. For more information see the web of bus company (<https://www.surbusalmeria.es/tarifas>).

Another option is to take a taxi. This should cost no more than 20 €.
