

Title of the manuscript

First name(s) Surname(s) 1¹, First name(s) Surname 2², First name(s) Surname(s) 3¹

¹ Affiliation of first and third author

² Affiliation of second author

E-mail for correspondence: Author1@university.edu

Abstract: Abstract text

Keywords: Keyword1; Keyword2; Keyword3.

1 State of the Art

Text for the first section.

1.1 Section 1.1

Text for the first subsection within section 1.

1.2 Section 1.2

Text for the second subsection within section 1.

2 Original Contributions

Text for the second section.

2.1 Section 2.1

Text for the first subsection within section 2.

2.2 Section 2.2

Text for the second subsection within section 2.

2.3 Section 2.3

Text for the third subsection within section 2.

We refer to Table 1 for a summary of our main results.

We refer to Figures 1, 2 for a graphical representation.

TABLE 1. Caption text ABOVE the table.

Title col1	Title col2	Title col3
row1 col1	row1 col2	row1 col3
row2 col1	row2 col2	row2 col3
row3 col1	row3 col2	row3 col3
